# The Brett Frey Music City Band

**T**he Brett Frey Music City Band is a full band & live music contracting service where business owners, talent buyers, entertainment directors and event coordinators can hire us for a wide variety of live music needs.

Our company is like a “Swiss Army knife” in that we have a large roster of singers and instrumentalists that can perform in a multitude of genres and we also have audio engineers and production equipment in house.

Below you will see a “Live Music Menu” that you can order off of:

*The Brett Frey Music City Band was founded by Dr. Brett Frey, DMA who received his Bachelor's, Masters and Doctorate all in Music Performance. His performance specialties are in Jazz and Popular Music performance with a subfield of research in live music direction. In 2020 he founded the Westhaven Conservatory which is a commercial music school in the Westhaven community of Franklin TN. It was through this business that he decided to offer live music services to the middle TN area at large.*
